<p>New Enrollees Completing Work Experience Please project the % of new enrollees in work experiences who will complete minimum 90 hours by 6/30/22.</p>	
<p>Credentials Earned by New Enrollees Completing Secondary Education Please project the % of those who complete a secondary credential</p>	
<p>Cost Per New Enrollee Served*: Please divide the total dollar amount requested from each funding source by number of New Enrollees projected above.</p>	

**The LWDB requires that bidders provide information on the costs per enrollment and employment placement in order to help evaluators consider the reasonableness of costs as compared with the overall program design. The LWDB recognizes that the cost per participant will vary depending on the services provided and the populations served, and that it may be*

more expensive to serve the populations prioritized in this RFP. The LWDB reserves the right to select proposal with higher costs per customer based on the quality of the overall proposal.
